Parking 101: Some Tips to Help Get You Started

- Parking lots fill up fast, allow extra time to find a space.
- Tuesdays and Thursdays (including the evenings) are the busiest days on campus.
- On the busiest of days, it is recommended that those arriving to campus later in the morning park at the Field House, a 15 minute walk to the Johnson Center, as the lots on east campus will often fill. Also, don't forget that general lot permits are valid on Levels 1-2 of Rappahannock River Parking Deck but not in the visitor area.
- Parking permits are required to park in any lot on Mason property.
- Always read the signs to know if a lot or area is restricted to a certain type of permit. Never park in reserved, service/repair, state vehicle, faculty/staff and administrative spaces.
- Parking lots are enforced all year round, including the 1st week of classes and even when classes are not in session. Don't believe the myths and rumors about a grace period.
- Check the parking website parking.gmu.edu for the latest information regarding hours of enforcement and other important news affecting parking on campus and even when classes are not in session.
- Visitor parking is available in Mason Pond, Shenandoah, and Rappahannock River Parking Decks as well as metered lots.
- Pay attention to your Mason email as students are often emailed about temporary lot closures. Also, check building.gmu.edu for updates on events and construction.
- Information about permit sales and online citation appeals and payment options is available online.
- Find out where the next shuttle is at any stop using the NextBus system – you'll never have to ask where the bus is again! Visit NextBus.com/GMU or click the transit icon on the Mobile Mason application (gettheapp.gmu.edu).
- Always contact Parking Services if you have questions or concerns! We're located in the Parking Services building next to the Shenandoah Parking Deck. You can also visit us online at parking.gmu.edu, call us at 703-993-2710 or email us at parking@gmu.edu.
