Parking 101 – Some Tips to Get You Started

- Parking lots fill up fast. Allow extra time, especially the first few weeks of class to find a space.
- Tuesdays and Thursdays (including the evenings) are the busiest days on campus.
- On the busiest of days, it is recommended that those arriving to campus later in the morning park at the Field House, a 15 minute walk to the Johnson Center, as the lots on east campus will often fill. Also, don't forget that general lot permits are valid on Levels 1-2 of Rappahannock River Parking Deck (but not in the visitor area).
- Parking permits are required to park in any lot on Mason property.
- Always read the signs to know if a lot or area is restricted to a certain type of permit. Do not park in reserved, service/repair, state vehicle, faculty/staff and administrative spaces.
- Parking lots are enforced all year round, including the 1st week of classes and even when classes are not in session. Don't believe the myths and rumors about a grace period.
- Check the parking website parking.gmu.edu for the latest information regarding hours of enforcement and other important news affecting parking on campus and even when classes are not in session.
- Visitor parking is available in Mason Pond, Shenandoah, and Rappahannock River Parking Decks as well as metered lots.
- Pay attention to your Mason email as students are often emailed about temporary lot closures. Also, check building.gmu.edu for updates on events and construction.
- Information about permit sales and online citation appeals and payment options is available online.
- Always contact Parking Services if you have questions or concerns! We're located in the Parking Services building next to the Shenandoah Parking Deck. **You can also call us at 703-993-2710 or email us at parking@gmu.edu.**
