

METRO SAFETRACK ALERT SURGE # 9

Start Date: September 15th, 2016

End Date: October 26th, 2016

For those that use Metrorail, make sure to allow plenty of extra time in September and October when the SafeTrack maintenance impacts Vienna Metro and the Orange Line:

Surge #9 Vienna - West Falls Church

- **Date change:** This surge will now begin on Thursday, September 15, and continue through the end of the day Wednesday, October 26. On weekdays, Orange Line trains will single track at all times between Vienna and West Falls Church.
- **New weekend shutdowns:** Surge #9 will now include four consecutive weekend shutdowns where free shuttle buses replace trains along segments of the Orange Line to complete necessary switch rehabilitation work:
 - September 24-25 – Buses replace trains between Vienna and East Falls Church. Vienna, Dunn Loring and West Falls Church stations will be closed.
 - October 1-2 – Buses replace trains between Vienna and East Falls Church. Vienna, Dunn Loring and West Falls Church stations will be closed.
 - October 8-9 – Buses replace trains between Vienna and West Falls Church. Vienna and Dunn Loring stations will be closed.
 - October 15-16 – Buses replace trains between Vienna and West Falls Church. Vienna and Dunn Loring stations will be closed.
