

# Parking and Transportation Student Carpool Program Application

**The Student Carpool Program** is only for students with a parking permit for Lot I, Lot J, or the decks (Rappahannock, Shenandoah, and Mason Pond). A partial permit rebate of 20-40% will apply depending on the number of individuals in the carpool.

To apply for a carpool permit, please print this application, have each member in the carpool sign the form and drop off the form along with a copy of everyone's Mason ID and any permits that have already been bought at the Transportation Office (located in Nottoway Annex). **Only one person in the carpool can have a permit.** All others in the carpool must turn in their permit and will receive a refund minus a \$15 administrative fee.

Only carpools with deck, Lot I and Lot J permits are eligible for the following parking permit rebates:

- 20% off the permit price for a two person carpool
- 30% off the permit prize for a three person carpool
- 40% off for a four person carpool

**Students not owning a permit are eligible to receive two daily general lot passes per month (Founders Hall validations if at Arlington) and may purchase an additional block of five daily passes (\$20) or five deck validations (\$35) at 50% off per semester.**

**\*Carpools need to reapply each semester to be in the Student Carpool Program.**

List all relevant information for each member in the carpool:
