

Fall 2020 Overview

Check shuttle.gmu.edu for the complete fall semester schedule as some routes are not running. ***Times and stops have changed for routes that are running.***

PLEASE NOTE COVID-19 IMPACTS:

- 1. Sandy Creek Transit Center is open. Please observe maximum occupancy count of 7.**
- 2. Masks required on all Mason Shuttles unless there is a University approved exception.**
- 3. Social distancing in effect, shuttle capacities at 50% of seats.**
- 4. When boarding, go to the back of the bus to reduce the number of times passengers pass each other; if getting off at an early stop on the route, board last so you will be sitting at the front.**
- 5. Allow extra time to get to your destination.**
