**LAST ORANGE LINE TRAIN ARRIVES VIENNA AT 1:06AM

Several stops for the shuttle do not have timed stops (marked by "—" on the schedule) but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours! The driver will see you and stop to pick you up.

WHY THE BREAK IN THE TIMES? Due to the frequency of service between SCTC and Vienna Metro it's difficult to print all the times. So after 10:00am it is important to note, that we **STILL RUN SERVICE EVERY 30 MINUTES!** For example on this timetable you see 10:00am. The next Shuttle will leave at 10:30am, then 11:00am, 11:30am, 12:00pm and so on until 3:30pm, when you start seeing printed times again!

There are two shuttles on the route, one leaves from Sandy Creek on the hour and the other leaves from Vienna Metro on the hour. There are also AM and PM rush hour overflow buses, one leaving from Sandy Creek on the :45 (am) and :15 (pm) and the other leaving from Vienna on the :45 (am) and :15 (pm).

** If you miss the 10:10 out of Sandy Creek, the 10:10pm shuttle from Global will stop at Sandy Creek after its stop at the RAC.
