Several stops for the shuttle do not have timed stops (marked by "—" on the schedule) but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours! The driver will see you and stop to pick you up.

Two shuttles are on the route; one begins at Sandy Creek and the other begins at Metro.
