Patriot Bike Check-Out Program: Pilot II: Fall 2019-Spring 2020
Terms of Equipment and Check Out Agreement

Please read the rules governing the Mason Recreation’s Patriot Bike Loan Program carefully. Violations of the rules may result in additional charges (e.g. late fees or bicycle replacement costs) or your removal from eligibility in the program. If you have questions regarding the program, please feel free to contact us at Parking and Transportation Services, 703-993-2828 or via email at transpo@gmu.edu. These rules are in effect each time you check out a bicycle in the program.

1. **Eligibility.** All borrowers must be currently enrolled George Mason University students or currently employed faculty and staff, eighteen (18) years or older. A current valid Mason I.D. is required in order to check out a bicycle from the RAC/AFC.

2. **Check out.** Bicycles are available on a first come, first serve basis. There is no reservation system or waiting list. Staff at the RAC/AFC will need to see your valid Mason ID in order to check out a bike. You will be asked to complete this Agreement to participate in the program. It can take up to 5 business days for the agreement to be entered into the online system. You will be asked to complete an agreement each time you check out a bike until your information is available in the online system. The agreement will stay on file for the entire academic year. Once enrolled online, your checkout process will be streamlined.

   **Please note:** Each time you check out a bike, this agreement is in effect. Please verify the condition in which you receive the bike each time you check one out.

3. **Check Out Period.** The Check-out Period shall cover all the time from the date of pick up to the date of return. You may check a bike out for one day at no cost during the week; over the weekend at no cost if you check the bike out on Friday or Saturday and return it by that Sunday night.

4. **While the Bike is in Your Care.**
   a. Please use the free bike helmet provided with your bike to reduce the risk of injuries.
   b. Obey all federal, state, and local laws as well as Mason policies.
   c. Do not use alcohol or other intoxicants while operating your bike.
   d. Lock the bike appropriately (i.e. to a bike rack) any time you leave the bike unattended using the lock provided to you when you check out the bike. You may not substitute any other lock while the bike is in your care.
   e. You assume all risks to yourself and others while riding the bicycle.
   f. If you notice any problems with your bike while you have it checked out, please report it to the staff at the RAC/AFC so they can check out another bike to you.
   g. Patriot Bike Check Out bikes:
      i. That are inappropriately locked to trees, railings, etc. are subject to removal by Parking and Transportation.
      ii. May not be used in mountain biking, trick riding, jumping, racing or in any other manner not intended for a touring bike.
      iii. May not be shared with anyone other than the individual who checked out the bike.

5. **Due Dates.** Bicycles are due back to the RAC/AFC on the date specified by the staff member at the RAC/AFC. You do not have to return the bike from the location at which you checked it out. You can return it to either the RAC or the AFC. The bike must be returned to the RAC/AFC during the posted business hours, at least 30 minutes before closing. The RAC and AFC do not have the same operating hours. You are responsible for knowing the hours of operation of the RAC and AFC.
6. **Returning the Bike.** Return the bike on time; lock it in the covered bike rack outside the RAC or the rack to the right of the front door of the AFC. Return your helmet and bike lock key to the RAC/AFC front desk. You will be responsible for certifying that you returned the bike in the same condition in which you received it or note any damages.
   
   a. **If you encounter mechanical or other difficulties with the bike while you are off-campus,** please secure the bike appropriately. It will be your responsibility to find transportation back to campus. Please report the location of the bike to the Parking and Transportation office at 703-993-2828 or via email at transpo@gmu.edu.

7. **Late fee.** While there is no cost to check out a bike, you must return it on time. You cannot extend your check out period without incurring a late fee. A late fee of five dollars ($5) will be assessed for the first day a bike is late and two ($2) per day after that until the bike is returned. This late fee will continue to accrue until two weeks after the last university exam date.
   
   a. Example #1: you check the bike out on Monday afternoon at 3pm, the bike is due back at least 30 minutes prior to the RAC/AFC’s closing time the next day, Tuesday.
   b. Example #2: you check the bike out on Friday morning at 11am, the bike is due back at least 30 minutes before the RAC/AFC’s closing time on Sunday.
   c. Please be mindful of the staff time at the RAC/ACF and return the bike no later than 30 minutes before closing.
   d. The RAC and AFC do NOT have the same operating hours. It is your responsibility to know the hours of each facility and return your bike appropriately. Hours of operation are available at https://recreation.gmu.edu/facilities/

8. **Inspection.** It is recommended that the borrower inspect any item before checking it out. If there is any damage, please bring it to the attention of RAC/AFC staff so it can be noted on the maintenance log and you can decide whether you would like to check out another bike.

9. **Helmet Use.** For your safety, the University encourages you to use a helmet while riding your bike. A fee will only be charged for a lost helmet. If the helmet is damaged during use, the borrower agrees to report the damage upon check-in so the helmet can be replaced for the next person.

10. **Damage and Replacement Fee.** The bike, helmet, lock and key must be returned clean and in the same condition as when they were loaned. Upon return of the equipment, you will certify the condition in which you returned the equipment. The borrower shall be liable for any damage that occurs to the equipment while in his/her possession with the exception of the helmet. Replacement costs:
   
   - Bike: Market Value
   - Helmet: $20 (only charged if lost)
   - Lock and/or Key: $15

   The extent and existence of damage to the equipment will be determined at the sole discretion of the staff at Parking and Transportation. If any part of the equipment is damaged, lost, and/or rendered permanently unusable, borrower will be charged the replacement price. If a part is broken or lost and can be replaced, the cost of the part will be assigned as a damage fee.

11. **Theft.** If the bike is stolen while in your possession, report the theft to the Mason Police as soon as you discover it. Provide the police report to Parking & Transportation and, upon review, the replacement fee may be waived based upon the contents of the police report.

   Please note: The replacement fee may only be waived once per customer. Any other bikes that are reported stolen by the same customer will require the replacement fee to be paid in full.
12. **Liability.** Borrower acknowledges that there are no warrantees applicable to the equipment borrowed from Mason Recreation whether expressed or implied. THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE and the borrower accepts the equipment AS IS. In addition, George Mason University cannot be held liable for injuries sustained to the borrower while using, transporting, or handling borrowed equipment.
