

## **2024 Fall Semester Prices**

Starting July 29, 2024, fall semester parking permits will go on-sale. Please check our website <https://gmu.t2hosted.com/Account/Portal> for information regarding the start of fall sales.

### **Fall 2024 Permit Sales Dates**

**July 29: Faculty & Staff, Graduate Students, and Seniors**

**July 30: Juniors and Sophomores**

**July 31: Freshmen and Others**

As a reminder, most permits are virtual permits, meaning one will not be issued or mailed a physical hangtag permit. Your license plate serves as your permit. Your permit will be valid once purchased.

For information on virtual permits and how to add and change your vehicles, go to: <https://transportation.gmu.edu/virtual-permit/>. Please note that your license plate must be attached to your permit, not just your parking account.

For information on permit regulations including where permits are valid, go to: <https://transportation.gmu.edu/policies/#ParkingPermitRegulations>

Student fall semester permits are valid until January 15, 2025.  
Faculty/staff fall semester permits are valid until January 31, 2025.
