Starting October 11, 2024, fall permits will be available at a prorated price. Please check our website <https://gmu.t2hosted.com/Account/Portal> for information regarding permit availability. If you wish to exchange your current parking permit for one of these options, please visit <https://transportation.gmu.edu/forms/>. Select the link Permit Exchange/Deactivation Request Form, and proceed to fill out & submit the form.

If you are upgrading your parking permit you will be charged the difference between the current value of your parking permit and the current value of the permit you are upgrading to - Refund Rate Schedule.

Requests to upgrade a parking permit will require one to visit the Parking Services Office and pay the difference as outlined above. Parking Services will approve the request based on eligibility and availability and notify you when to come to the office.

Requests to downgrade a parking permit are not finalized until you have been notified by Parking Services and given a new permit number.

Please allow 2-3 business days for processing.

Fall student permits are valid until January 15, 2025. Fall faculty/staff permits are valid until January 31, 2025.
