Welcome

Mason Shuttles provides reliable transportation for Mason students, faculty, staff, and visitors on and around the Fairfax and SciTech (Prince William Co.) Campuses.

Our most important concern is your safety! So that we may all achieve this goal, please observe the following guidelines when boarding and riding a shuttle:

Arrive a couple of minutes early for quick and safe boarding.

Only attempt to board your shuttle at the designated stop.

Never chase a moving vehicle.

Remain seated while onboard a shuttle.

Some shuttle routes may drop-off passengers, then layover until their scheduled departure time.

The Burke Centre VRE Express shuttle provides a connection between the VRE and Fairfax Campus. Free parking is located at the Burke Centre VRE garage and may be used as a park & ride lot. Students and employees who live in the Burke area can also walk or ride a bike to catch the shuttle. The schedule includes pick up and drop off on the return trip to campus from Burke Centre VRE at Target, and three stops along Zion Drive.

Effective date 5/21/2018

Holiday Schedules
Dates and service levels may vary. Always check shuttle.gmu.edu for up-to-date information.
Several stops for the shuttle do not have timed stops (marked by "—" on the schedule) but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours! The driver will see you and stop to pick you up.
