Some stops for the Fairfax/SciTech shuttle do not have timed stops and are marked "----" on the schedule, but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours. The driver will see you and stop to pick you up.

Monday through Thursday, there are four buses on the route, each doing a continuous loop between Fairfax and SciTech. Two shuttles originate at the Fairfax Campus and two originate at the SciTech Campus with a departure alternating every 30 or 40 minutes. The last shuttle departs from Sandy Creek at 10:20pm.

On Fridays, there are two buses on the route, one originating at the Fairfax Campus and one at the SciTech campus with service every 70 minutes.

Limited weekend service every two hours with one bus on the route.

Please note:

The Manassas Mall stop inbound to SciTech is an untimed stop. If you are taking the Shuttle from the Mall to SciTech, please track the bus and plan to be at the Mall 25 minutes after it leaves Sandy Creek.

The Shuttle stops at the CEC Lab on Innovation Drive as an untimed stop multiple times per day, Monday-Friday only. Green is a pick-up; gray is no pick-up.
