

Welcome

Our most important concern is your safety! Below are COVID-19 modifications to Mason Shuttles service until further notice:

A face covering (or University exemption) is required to ride Mason Shuttles.

While waiting, boarding, or exiting the shuttle, allow 6' between you and the next passenger.

When boarding, start seating at the back of the bus. If you are exiting at an early stop, board last so you will be seated at the front. This reduces the number of times passengers have to pass each other on the shuttle.

Mason ID check for all routes and stops. No guest passengers.

Shuttle capacity is at 50%. Do not sit in a seat that is marked to be unoccupied.

Wash hands or use 60%+ alcohol hand sanitizer after riding.

As always:

Arrive a few minutes early for safe boarding.

Only attempt to board your shuttle at the designated stop.

Never chase a moving vehicle.

Remain seated while onboard a shuttle.

Some shuttle routes may drop-off passengers, then layover until their scheduled departure time.

Many stops do not have timed stops and are marked "---" on the schedule. The Shuttle still drives by these stops as part of their normal routine. To catch the shuttle at an untimed stop, just be at the pickup time before yours. The driver will see you and stop to pick you up.

There are four buses on the route, each doing a continuous loop between Fairfax and SciTech. Two shuttles originate at the Fairfax Campus and two originate at the SciTech Campus with a departure every 40 minutes from both campuses Monday - Friday.

No weekend service.
