Many stops do not have timed stops and are marked “---” on the schedule. The Shuttle still drives by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours. The driver will see you and stop to pick you up.

There are two buses on the route, each doing a continuous loop between Fairfax and SciTech for the service day.

One shuttles originates at the Fairfax Campus and one originates at the SciTech Campus with a departure every 70 minutes from both campuses.

Please note:

The Manassas Mall stop inbound to SciTech is an untimed stop. If you are taking the Shuttle from the Mall to SciTech, please track the bus and plan to be at the Mall 25 minutes after it leaves Sandy Creek.

The Shuttle stops at the CEC Labs on Innovation Drive as an untimed stop a few times per day. A dash is a pick-up; gray is no pickup.

Welcome

Our most important concern is your safety!
Arrive a few minutes early for safe boarding.

Only attempt to board your shuttle at the designated stop.
