Some stops for the Fairfax/SciTech shuttle do not have timed stops and are marked "----" on the schedule, but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours. The driver will see you and stop to pick you up.

During this time, there are two buses on the route, one originating at the Fairfax Campus and one at the SciTech campus with service every 70 minutes.

Please note:

The Manassas Mall stop inbound to SciTech is an untimed stop. If you are taking the Shuttle from the Mall to SciTech, please track the bus and plan to be at the Mall 25 minutes after it leaves Sandy Creek.

The Shuttle stops at the CEC Lab on Innovation Drive as an untimed stop multiple times per day, Monday-Friday only. Green is a pick-up; gray is no pickup.
