Several stops for the shuttle do not have timed stops (marked by "—" on the schedule) but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours. The driver will see you and stop to pick you up.

There are two shuttles on the route, one leaves from Sandy Creek on the hour and the other leaves from Vienna Metro on the hour.
